

§ 166.904

(1) Possess a high school diploma or its recognized equivalent; and

(2) Are enrolled and in good academic standing at an acceptable post-secondary school.

(f) Undergraduate scholarships are available for a maximum of three academic years and may be awarded to individuals who:

(1) Have completed a minimum of 55 semester hours toward a bachelor's degree in a natural resources or agriculture-related curriculum; and

(2) Have been accepted into a natural resource or agriculture-related degree-granting program at an accredited college or university.

(g) Graduate scholarships are available for a maximum of five academic years for individuals selected into the graduate program of an accredited college or university that grants advanced degrees in natural resources or agriculture-related fields.

(h) A recipient of assistance under the scholarship program must enter into an obligated service agreement to serve as a natural resources or agriculture-related professional with the BIA, other federal agency providing assistance to their respective tribe, a tribe, tribal agriculture enterprise, or an ANCSA Corporation for one year for each year in the program.

(i) We will pay all scholarships approved by the education committee established in §166.900 of this subpart for which funding is available.

§ 166.904 What is agriculture education outreach?

(a) We will establish and maintain an agriculture education outreach program for Indian and Alaska Native youth that will:

(1) Encourage students to acquire academic skills needed to succeed in post-secondary mathematics and science courses;

(2) Promote agriculture career awareness;

(3) Involve students in projects and activities oriented to agriculture related professions early so students realize the need to complete required pre-college courses; and

(4) Integrate Indian and Alaska Native agriculture program activities

25 CFR Ch. I (4–1–08 Edition)

into the education of Indian and Alaska Native students.

(b) We will develop and carry out the program in consultation with appropriate community education organizations, tribes, ANCSA Corporations, Alaska Native organizations, and other federal agencies providing agriculture services to Indians.

(c) The education committee established under §166.900(c) of this subpart will coordinate and implement the program nationally.

§ 166.905 Who can get assistance for postgraduate studies?

(a) The purpose of the postgraduate studies program is to enhance the professional and technical knowledge of Indian and Alaska Native natural resource and agriculture-related professionals working for an approved organization so that the best possible service is provided to Indian and Alaska Natives.

(b) We may pay the cost of tuition, fees, books, and salary of Alaska Natives and Indians who are employed by an approved organization and who wish to pursue advanced levels of education in natural resource or agriculture-related fields.

(c) The goal of the advanced study program is to encourage participants to obtain additional academic credentials such as a degree or diploma in a natural resources or agriculture-related field. Requirements of the postgraduate study program are:

(1) The duration of course work cannot be less than one semester or more than three years; and

(2) Students in the postgraduate studies program must meet performance standards as required by the graduate school offering the study program.

(d) Program applicants must submit application packages to the education committee. At a minimum, such packages must contain a resume and an endorsement signed by the applicant's supervisor clearly stating the need for and benefits of the desired training.

(e) The education committee must use the following criteria to select participants:

(1) Need for the expertise sought at both the local and national levels;

(2) Expected benefits, both locally and nationally; and

(3) Years of experience and the service record of the employee.

(f) Program participants will enter into an obligated service agreement to serve as a natural resources or agriculture-related professional with an approved organization for one year for each year in the program. We may reduce the obligated service requirement if the employee receives supplemental funding such as research grants, scholarships, or graduate stipends and, as a result, reduces the need for financial assistance under this part. If the obligated service agreement is breached, we will collect the amount owed us in accordance with § 166.910 of this subpart.

§ 166.906 What can happen if we recruit you after graduation?

(a) The purpose of the post graduation recruitment program is to recruit Indian and Alaska Native natural resource and trained agriculture technicians into the agriculture programs of approved organizations.

(b) We may assume outstanding student loans from established lending institutions of Indian and Alaska Native natural resources and agriculture technicians who have successfully completed a post-secondary natural resources or agriculture-related curriculum at an accredited institution.

(c) Indian and Alaska Natives receiving benefits under this program will enter into an obligated service agreement in accordance with § 166.901 of this subpart. Obligated service required under this program will be one year for every \$5,000 of student loan debt repaid.

(d) If the obligated service agreement is breached, we will collect student loan(s) in accordance with § 166.910 of this subpart.

§ 166.907 Who can be an intern?

(a) Natural resources or agriculture personnel working for an approved organization may apply for an internship within agriculture-related programs of agencies of the Department of the Interior or other federal agencies providing an agriculture service to their respective reservations.

(b) Natural resources or agriculture-related personnel from other Department of the Interior agencies may apply through proper channels for “internships” within the BIA’s agriculture programs. With the consent of a tribe or Alaska Native organization, the BIA can arrange for an Intergovernmental Personnel Act assignment in tribal or Alaska Native agriculture programs.

(c) Natural resources and agriculture personnel from agencies not within the Department of the Interior may apply, through proper agency channels and pursuant to an interagency agreement, for an “internship” within the BIA and, with the consent of a tribe or Alaska Native organization, we can facilitate an Intergovernmental Personnel Act assignment in a tribe, tribal agriculture enterprise, or Alaska Native Corporation.

(d) Natural resources or agriculture personnel from a tribe, tribal agriculture enterprise, or Alaska Native Corporation may apply, through proper channels and pursuant to a cooperative agreement, for an internship within another tribe, tribal forest enterprise, or ANCSA Corporation agriculture program.

(e) The employing agency of participating federal employees will provide for the continuation of salary and benefits.

(f) The host agency for participating tribal, tribal agriculture enterprise, or Alaska Native Corporation agriculture employees will provide for salaries and benefits.

(g) A bonus pay incentive, up to 25 percent (%) of the intern’s base salary, may be provided to intergovernmental interns at the conclusion of the internship period. Bonus pay incentives will be at the discretion of and funded by the host organization and must be conditioned upon the host agency’s documentation of the intern’s superior performance, in accordance with the agency’s performance standards, during the internship period.

§ 166.908 Who can participate in continuing education and training?

(a) The purpose of continuing education and training is to establish a program to provide for the ongoing
